OFFICE OF PETITIONS

In re Application of
Kevin M. Gamble et al.
Application No. 10/423,328
Filed: April 25, 2003
Attorney Docket No. K-1823P

ON PETITION

This is a decision on the petition, filed June 15, 2005 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **DISMISSED**.

Any further petition to revive the above-identified application must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(b) are permitted. The reconsideration request should include a cover letter entitled "Petition under 37 CFR 1.137." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

This application became abandoned for failure to timely reply to the final Office Action mailed July 21, 2004. A response was filed November 19, 2004 with a one month extension of time request. By Advisory Action of January 24, 2005, petitioner was advised that the response did not place the application in condition for allowance. This application became abandoned on October 22, 2004. Accordingly, a Notice of Abandonment was mailed June 8, 2005.

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by:

(1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute, but must be the payment of the issue fee or any outstanding balance thereof in an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof;

(2) the petition fee required by 37 CFR 1.17(l);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was

unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) a terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) in a design application, a utility application filed before June 8, 1995, or a plant application filed before June 8, 1995.

The petition does not satisfy requirement (1) above.

The application became abandoned for failure to file a response within the meaning of 37 CFR 1.113 to the final rejection of July 21, 2004, within the time period for response. No response has been submitted with the petition to revive.

The only proper reply to a final Office action is an amendment placing the application in *prima facie* condition for allowance, a Notice of Appeal accompanied by the requisite fee, a Request for Continued Examination (RCE) accompanied by a proper submission, or a continuing application.

Petitioner must submit a proper reply to the final Office action mailed on July 21, 2004, with any renewed petition. **Petitioner should note that submission of any renewed petition without the required reply will be construed as intentional delay.**
